

**REMARKS**

The Office Action of May 4, 2005, has been carefully reviewed. Applicants acknowledge the objections to the Specification and to Claims 15, 18 and 20, for the reasons indicated, as well as the recommended corrections. Importantly, Applicants are grateful for the allowance of Claims 1-25.

In order to place this application in condition for issuance, Applicants have made the recommended corrections to the relevant paragraphs in the specification as set out above, as well as the recommended corrections to Claims 15, 18 and 20. Reference numeral "331" was already described on page 15, line 23 as "an inner surface", and hence no correction thereto is necessary.

It is respectfully submitted that no new matter has been added, and that the corrections made are those recommended by the Examiner for placing the application in condition for issuance.

No additional fee is believed to be required for this amendment, however, the undersigned Xerox Corporation attorney (or agent) hereby authorizes the charging of any necessary fees, other than the issue fee, to Xerox Corporation Deposit Account No. 24-0025.

In the event the Examiner considers personal contact advantageous to the disposition of this case, he/she is hereby authorized to call Tallam I. Nguti at Telephone Number 585-423-2477, Rochester, New York.

Respectfully submitted,

Tallam I. Nguti
